Special Inside Escutcheon with set screw to lock in place

Concealed Screw (CS) mounting plate

To order the Concealed Screw (CS) -6 or -07 option, add CS in options box.

28 DEGREE LATCH

Our new 28 degree latch requires less rotation on the lever than standard latches to open the door and pull back the latch mechanism. This is ideal for individuals who suffer from arthritis or other motion concerns.

28 Degree Latch

28°

Standard 45 Degree Latch

45°

Shown in US10B
Also available in: US15, US26
